Re: Amended Mid Year Report (1/1/05-6/30/05), received 7/29/05
Your request of October 19, 2005

The committee is filing an amended report today, containing the clarifications or additional information requested.
Regarding your specific questions:

Schedule B memo itemizations, to identify payments to vendors aggregating over \$200 for which individuals were reimbursed, have been provided for those expenditures requiring them under the regulations.

None of the expenditures for event admissions were made on behalf of any specifically identified federal candidate.

None of the listed items in your chart as "apparent public communications or voter drive activity" contained express advocacy, for or against, any candidates for federal office.
